

Big Company **Capability**...Small Firm **Feel**

Ontario Credit Quick Facts

Refresh your equipment with a disciplined leasing system that keeps you on track and focused, in a more proactive manner than equipment purchase. Tracking, depreciation issues, and disposal will become concerns of the past

Equipment

Technology/Telecom, Transportation/Industrial, Healthcare/Medical, Furniture/Office, and Software (Bundle multiple equipment types on one lease)

Geography

United States, Puerto Rico, and Canada

Structures

Fair Market Value, 10% Purchase Option, \$1.00 Purchase Option, TRAC Lease, Seasonal Lease, and Step Lease

Terms

12-60 months

Transaction sizes

\$1,000 to multimillions of dollars

End-of-lease options

- Purchase the equipment for the current fair market value, 10% of original equipment cost, or \$1.00 (depending on lease structure)
- Continue leasing the equipment at a negotiated payment
- Refresh your equipment with a new lease
- Return the equipment
